### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows: in the claims,

Claim 19; cancel claim 19. Claim 19 is here canceled since it currently depends from claim 14, which applicant canceled. Claim 19 is not being amended to depend from claim 15 because the method of claim 19 cites that the vertical and lateral trenches are completely filled in step (f) while claim 15 cites that those trenches are only partially filled in step (f). As such, depending from claim 15 would appear to create an indefinite limitation. Note the analogous situation regarding applicant's cancellation of claim 6.

Claim 20; on line 1, delete "19" and insert --15-- in its place.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to George C. Eckert II whose telephone number is (571) 272-1728.
